

A Pasture Pick Pricing (PPP) system is in effect for the foals again this year from birth through the end of July:

Can Man Fling foals - \$8500

Blue Roan foals - \$8500

Red Roan, Black, & Buckskins - \$5500

All others - \$4500

NFS - Not For Sale

*** will indicate special pricing that does not fall under the PPP.

These prices will be in effect from foaling to the end of July.

At this time, the plan is to hold all foals not sold by July 31st until our Open House.

Halter breaking is tentatively scheduled for Labor Day weekend. At that time, we will individually price all foals and have our Open House. Special discounts will be given on foals purchased during our Open House.
