

### Mahlstedt Ranch Quarter Horses 2024 Pasture Pick Pricing

We will again use a Pasture Pick Pricing system on 2024 foals for the summer. PPP will be in place from the time foal is listed on our website through the end of July. Contract and deposit will be required to hold every foal. The Color indicated is our best guess and is not guaranteed as it can change as the foal ages. PPP will not change on any foals purchased during the summer even if the color does change. Once contracted, the price is set and the foal is considered sold

NOTE: NOT ALL FOALS WILL BE INCLUDED IN THIS PRICING SYSTEM. Prices will be as follows:

Blue Roans & Buckskins- \$8500

Can Man Fling foals that are not blue roan or buckskin— \$8000

Red Roans – \$6000

Bay roans – \$5500

Sorrel, bay, browns - \$3500

Foals included in PPP will be indicated by **PPP** on their webpage.

**NFS** means the foal is currently Not For Sale

Individual pricing will be indicated by **XX,XXXX**

All weanling foals will be halter trained the weekend of the Open House. The balance due on Foals sold through PPP will be due by that time. They also must be picked up that weekend.

Foals not sold through PPP will be individually priced when halter trained. Our Open House will be Sunday September 1st at 2 pm to 5 pm. All of our horses will be in the corrals for viewing. We will have door prizes & offer discounts on weanlings sold THAT DAY ONLY!

A silent bid format will be in place for the first half of the Open House. More details will be available.

Please contact Tana for further details @ 406-939-1890 (cell)
