Quarter Horse Open House

Welcome to our Mahlstedt Ranch Quarter Horse Open House! It all started years ago when we invited our neighbors and friends over to see the foals the weekend of halter breaking. In recent years, it has expanded into what it is today.

It is also the only day of the year when all our mares, stallions, and sale offering are on display in the corrals.

You can still purchase an MRI horse if you cannot attend the Open House. Our horses are all sold private treaty year-round. We are happy to have you visit our horses whenever you are able. We always have horses available for sale to meet the needs of our customers. Our quality is consistent and uniform.

To hopefully improve the opportunity for everyone interested in specific horses, we have a silent auction process at our open house. Pasture Pick Pricing ended August 1st. No weanling foal sales will be made in August as we use this time to take current photos and update the website. A price listing of individual weanlings will be posted for download from our website on Saturday evening, August 31. This list will have each horse's individual base price. We are very humbled by the interest in our horses and our program. We hope this is a process that proves fair for all who are interested in individual horses. We are happy to take suggestions on how to improve the process in the future. We do not expect bid-offs on most foals.

The corrals will open for our Open House at 2 p.m. Sunday, September 1st.

2:00-3:00 pm - Bid sheets for each horse will be present for progressive written bidding.

3:00 pm - the top 2 bidders on each horse can verbally bid to the winning bid.

Any horses with no written bids will remain offered at the base list price and checkout will begin after any live bidding has ended.
