

Mahlstedt Ranch Quarter Horses 2025 Pasture Pick Pricing

We will again use a Pasture Pick Pricing system on 2025 foals for the summer.

- * **PPP** will be in place from the time the foal is listed on our website through the end of July.
- * No foals will be sold in August until our Open House on the 31st to allow time to prepare for the Open House.
- * Contract and deposit will be required to hold every foal reserved this summer.
- * The Color indicated is our best guess and is **not** guaranteed because it can change as the foal ages.
- * PPP will not change on any foals purchased during the summer even if the color does change.
- * Once contracted, the price is set and the foal is considered sold. We highly recommend that you purchase insurance on the foal.

NOTE: **NOT** ALL FOALS WILL BE INCLUDED IN THIS PRICING SYSTEM.

Prices will be as follows:

Blue Roans, Grullas, & Buckskins- \$8500

Can Man Fling & LHR Dun VintageSmoke foals that are not blue roan or buckskin– \$8000

Red Roans, Grays, & Palominos – \$6000

Bay roans – \$5500

Sorrels, bays, browns - \$3500

Foals included in PPP will be indicated by **PPP** on their webpage.

NFS means the foal is currently **Not** For Sale

Individual pricing will be indicated by **XX,XXXX** and you can contact us for the individual's price.

All weanling foals will be halter trained the weekend of the Open House. The balance due on Foals sold through PPP will be due by that time. They also must be picked up that week.

Foals not sold through PPP will be individually priced when halter trained.

Our Open House will be Sunday August 31st, 2 pm to 5 pm. All of our horses will be in the corrals for viewing.

There will be door prizes & discounts on weanlings sold THAT DAY ONLY!

A silent bid format will be in place for the first half of the Open House. More details will be available.

Please contact Tana for further details or with any questions @ 406-939-1890 (cell).

We welcome you to come to the ranch to see the horses in person. Visits can be arranged with Tana.

Thank you for considering an MRI horse. We believe we offer horses that are the complete package. You will find that our horses come with the dispositions, brains, talent, feet, legs, & overall conformation to keep you riding comfortably and competently for many, many years. Our horses have a great life here and we appreciate you providing homes where they are well cared for and given a chance to shine with their work ethic & talent.

With Gratitude,

The Mahlstedt Ranch Crew
